**October 16, 2026**

**Modern Senior Secondary School, Patiala,** proudly celebrates the achievement of its students scientific exploration.

The event brought together over 300 students

at the **Inter-Institutional Science Fair 2026**, held on 16 October at **Multani Mal Modi College, Patiala.**

**Vanshika** and **Sukhmanpreet Kaur** of Grade X-A secured Second Position in the Poster Presentation Competition (School Section), showcasing their scientific understanding and creativity. **Amritpal Singh** and **Kamna** of Grade X-B also participated enthusiastically in the Static Model Presentation, demonstrating their interest in from 21 schools and 8 colleges and other educational institutions. Participants presented innovative ideas through scientific models, robotics and posters based on the theme **"Science, Sustainability and Innovation for Viksit Bharat."**

The achievement reflects the students' curiosity, creativity and commitment to learning. Such platforms encourage young minds to explore scientific ideas and contribute towards a sustainable and progressive future.
