ON AUGUST 12, 2017 a campaign against begging was organized by the district administration and an NGO called 'Har Hath Kalam'. It was a very good and positive step taken by them to eradicate the evil of begging from the society and to make people aware of anti-begging programme. Enthusiastically around 8000 students of schools and colleges of the city came together and formed a human chain outside the District Court Complex to encourage people to give up the practice of offering alms to the beggars so that the evil of

begging on society were also held outside the Omaxe Mall. Modern Senior Secondary School also ardently participated in this anti-begging campaign. 240 students went to join the campaign. 200 students tuned in human chain while 40 students were engaged in flash mob.
