It is a moment of great pride and honour that Taranjeet Singh of our school was honoured on 5th August 2017 during assembly with a certificate of appreciation for saving the life of an eighty years old senior citizen of Patiala who was injured by a speeding car on 31st July 2017 . Prompt and courageous decision was taken by him when he saw the old man almost unconscious lying flat on the road. He immediately signalled to stop another private car passing that way and with the help of his friend and the car driver, took the injured person to the hospital. Sh. JS Virk, the president of “Senior Citizens Welfare Club” was informed about the accident who arrived at the hospital along with other members of the club without any delay. In addition to some bruises on his leg and shoulder, the X-Ray report revealed a fracture of the patient’s collar bone. He was discharged after adequate treatment. Thus the precious life of the senior citizen was saved by a prompt and quick decision taken by the student.
