MRS. MANPREET SHARMA is the vice principal of Modern Senior Secondary School, Patiala. She holds a post graduate degree in Chemistry. Thereafter she pursued her education and acquired her degree in B.Ed. She has more than 22 years of teaching experience and has been teaching chemistry to senior secondary students. She is also Head of Science Department. She always

looks forward to take up challenging tasks. In recognition to her outstanding contribution the Human Rights organization awarded her Best Teacher award with a certificate of appreciation and award of honour on Sept 3, 2017. When interviewed she said, “Be like a proton (positive) in your nucleus (aura) to stay protected from electrons (negativity of the universe)”.

We congratulate her on her achievement.
