AUGUST 9, 2018.

MAHATMA GANDHI, the father of nation, aspired India as a free, neat, clean and developed nation. Cleanliness is a routine, not a thought.

Our school is constantly making humble and keen efforts to be a 'No Plastic Zone' thus contributing towards a healthy and safe environment. On August 9th, 2018, MSSSP organized a rally within the school premises for classes VI-XII based on cleanliness. All students of std VI-XII gathered in the school ground with placards, boards, posters and hoardings in their hands. All were enthusiastic

environment clean. Then the event started with the oath ceremony to keep the environment clean and plastic free. This was followed by free rally of all the students with NCC cadets accompanied by their class incharges in the school. Then the students of NCC went to clean the Ravidas Park in Patiala, initiative 'clean' and 'green India'. The NCC cadets laboriously did their task very well and were appreciated by the Principal and the Vice Principal. Hope our school further takes initiative like this. This community service will be our regular feature in school and we will

for the event ahead. The event started with our worthy principal Mrs. Tripatjit Kaur explaining us about the event and motivating us to keep our

maintain the adjoining park, make compost pit, organic gardening and ultimately make the school a **'NO PLASTIC ZONE'**.
