MORNING ASSEMBLY at Modern Senior Secondary School Patiala is a chance for students to connect with each other and begin the day with a telling of direction and unity. Students start their day by making a firm commitment to do their best for the school and themselves.

The highlight of the morning assembly is the – 5 Pauris of Japji Sahib that provide students

with an opportunity to get centered and to remind themselves of higher purpose in life. We take pride in creating an ambience for learning that unfolds the true potential of every child, right from the assembly time.

This is followed by **ONE MINUTE WISDOM SPEECH** and is concluded with the recitation of National Anthem. Then the students disperse on the tune of the school band and go to their classes.
