

JUNIOR STUDENT COUNCIL

May 5, 2021

MSSSP congratulates its prestigious **Student Council (Session 2021-22)**. A traditional feature of **Modern Senior Secondary School** is that it nurtures and fosters a sense of self-respect, dignity and self-discipline in its students by entrusting responsibilities on them at a tender age. As the school prefects, these

students not only learn to lead, maintain discipline but also grow up as leaders and become role models for their fellow students.

Thus, it is rightly said that “**Students of today are the torch bearers of tomorrow.**”
