

# INVESTITURE CEREMONY

**May 10, 2021**

**MSSSP** congratulates its student leaders selected for the prestigious **Student Council (Session 2021-22)**.

A traditional feature of **Modern Senior Secondary School** is that it nurtures and fosters a sense of self-respect, dignity and self-discipline in its students by entrusting responsibilities on them

at a tender age. As the school mentors these students not only learn to lead, maintain discipline but they also grow up as leaders and become role models for their fellow students. Thus, it is rightly said that

**“Students of today are the torch bearers of tomorrow.”**
