English Story Telling Activity was held on 26th November, 2021 in the **Modern** should be stopped immediately was stated by them and kindness should be added to

Senior Secondary School Hall.

Eight students narrated interesting stories on the topics like Friendship, Lying, Hard Work, Value of Time, Kindness, Anger etc.

The performance of the students was outstanding. The stories had a message to convey to the audience. Anger and lying

our daily life routine. They made use of props to highlight their stories.

Story telling allows children to connect to their journey and expand their own imagination and understanding of the world around them. To boost their confidence, they were appreciated and awarded with token of love.
