MSSSP and **MNSP** families were very excited to celebrate the **74th Founder's Day** on the **8th of January, 2022**. Special online assembly was conducted to mark the celebration and pay tribute to our founder **Sardar Mohan Singh ji**.

Due to spreading of Corona Virus, we couldn't celebrate the Annual Day

Physically, even then the morale of the students was very high.

As 75th year has been marked by the theme '**My Dream School: A Green School**' every student is ready to spread Green Revolution by planting trees, spreading awareness to save water, energy and in turn save environment.
