

MSSSP SOCIAL SCIENCE ORIENTATION PROGRAMME

~ Gurleen Kaur (IX-C) ~

Reporter, Modern School Life Magazine

April 16, 2022

Social Science Orientation programme was organised on the **16th of April 2022** with the aim to generate interest of the students in the subject and also to make them familiar with the multiple career options available in this subject.

The sessions were conducted gradewise for the students of **Grades 6-10**. Some of the students were very eloquent on their views

Students participated in the **Extempore**, **Atlas Antakshari** and **Fun games**. The sessions were facilitated by the teachers of the **Social Science Department**. The sessions were a huge success and the students were overjoyed on winning prizes. Such sessions are always a great help to students to prepare for a successful career with clear

regarding the careers they plan to follow.

All sessions were very interactive as the

vision about what lies ahead and what can be

achieved at the end of doing different courses.
