

TEACHER EMPOWERMENT SESSIONS

APRIL 2022-23

April 6, 2022

A three day comprehensive **Teacher Empowerment Programme** was conducted for **MNSP** and **MSSSP** teachers from **2nd April 2022 to 5th April 2022.**

The Enrichment Programs comprised training and learning sessions to improve the teachers' varied teaching skills. The seminars also included a discussion among coordinators and teachers about the upcoming session's planning.

Value - based Education - Vision of School,
Brainstorming - Identifying Strategies to
Enhance English Speaking and Language Usage

Senior Wing were organized), Innovative Practices and Strategies in Teaching (Different Sessions for Primary, Middle, and Senior Wing were conducted), Thematic Learning for Primary Wing were the main agendas to discuss upon.

Planning of Lessons, Classroom Arrangements, Interdisciplinary projects, Inquiry Approach to Learning, Project based Learning were the main highlights of the discussions among subject teachers and subject coordinators.

All the sessions were warmly attended by the entire faculty. The teachers actively participated

Skills, Significance of Field Trips –
Incorporating within the School Curriculum,
Execution of New Session and Goal Setting
(Different Sessions for Primary, Middle, and

in the events and shared their perspectives.

All the educators are ready to take on
any challenge and work harder than
ever before with more passion and fervor.
