'International Pie Day' was organized by Mathematics department of MSSSP on Friday, 22nd of July in the school auditorium.

Students of grade IX and XI participated enthusiastically in the event. Yuvraj Malik of XI- A told the significance of 'Pie' and Vinayak of

XI-A expressed his views on the facts of 'Pie'.

It was an interactive session. Questions were raised by the audience to which the participants answered in a very convincing way. Students enjoyed a lot and it turned out to be very informative and fruitful.
