An educational excursion for the pupils in grades 6, 7, and 8, was planned on October 10, 2023. As many as 110 students of **MSSSP** visited the **Panorama and Science Centre, Kurukshetra**.

education that went beyond the textbooks.

Students also visited **Brahma Sarovar** and sought the blessings of **Lord Brahma** followed by a sumptuous lunch at a famous restaurant.

They gained knowledge of basic scientific ideas as well as other scientific notions. They were enthralled by the 3D theatrical experience and eager to learn more about the marine environment.

The Shri Krishna Museum, which was next to the Panorama and Science Centre, provided fascinating insights about **Lord Krishna's** life and the epic for the students, it was a comprehensive

In a nut shell, the children learned a great deal from their tour to the Panorama and Science Centre and Shri Krishna Museum. Their understanding was enhanced, and it also sparked their interest and admiration of science, culture, and history.

We take the students of Modern School on these kinds of visits because we think that the experiential learning is the best way of learning.
