*Style is a nonverbal means of expressing who you are.*

Since each child has a unique skill from birth,

messages of "Save the Girl Child" and "Save Water", others used the figures of Yashoda Maiya and Lord Krishna to illustrate the close relationship

**Modern Senior Secondary School, Patiala** organised a **Mother & Child Ramp Walk and Skill Show** called **PROUD TO BE ME** on the evening of 29<sup>th</sup> October 2023 for Pre-primary and Primary school students from all across the city to help them discover their hidden talents. The kids had such an amazing response.

Three groups of participants, one for each of the ages of 3+, 4+, and 5+, were formed. Mother and child pairs dressed elegantly displayed confidence and joy as they marched down the ramp.

While some participants showed the universal

between a mother and her kid.

The thrilling performance by **Punjab's Bhangra Star, Master Shivram**, who truly nailed the act, accelerated the proceedings.

The competition was fierce, thus it was quite difficult for the judges, **Mrs. Bhawnapreet Kaur** and **Dr. Shelly Prashar**, to select the winners. Cash awards were also presented to the winners.

**Mr. Kamal**, our music mentor, introduced fun games that kept the audience interested all the way through.

All in all, it was a magnificent evening spent with Patiala residents.
