August 21, 2023

On August 21, 2023, a group of 20 students from **Modern Senior Secondary School**, of 11th & 12th grade, (Medical stream) embarked on an enlightening field trip to the **Herbarium located at Punjabi University in Patiala**.

This educational excursion provided students

During their visit, students were exposed to the intricate process of plant specimen preservation, involving collection, drying, poisoning, stitching, labeling, and deposition. Additionally, the Herbarium featured a unique botanical photo gallery on its top floor, showcasing ten distinct sections

with an invaluable opportunity to witness a diverse array of plant species firsthand. The students were under the expert guidance of **Mr. Manish Kumar, the Head of the Department**, alongside other knowledgeable faculty members from the Herbarium.

encompassing various aspects of plant life.

This gallery, boasting nearly 300 captivating photographs, covered topics ranging from agriculture and Indian forests to rare and endangered plants, enriching the students' botanical knowledge and appreciation.
