**November 28, 2023**

On 25th November 2023, **The Patiala Sahodaya School Complex** organized a stimulating **Sahodaya Mathematics Fest** at **Shri Hardam**

A commendable total of 32 schools actively participated, and among the talented individuals, **Angadpreet Singh** (std. V), **Hezalpreet Kaur**

**Singh Public School Jindalpur, Patiala**, providing a dynamic platform for students to engage with the subject.

The fest featured three levels of competition, each with distinct themes catering to various age groups. From **Fun Games** and **Poem Recitations** for Primary classes to **Model Representation** and **Poster Making** for Middle classes, and **Working Models** with Speeches for Secondary and Senior Secondary classes.

(std. V), **Manmeet Kaur** (std. VIII), **Muskan Dhiman** (std. VIII), **Mansi** (std. XII), and **Srishti** (std. XI) from **Modern Senior Secondary School** showcased their mathematical prowess. Srishti of class XI received a consolation prize in the Senior Secondary group, highlighting the school's commitment to nurturing mathematical talent.

Congratulations to all the participants for their enthusiasm and achievements in the Sahodaya Mathematics Fest!!
