

**OUTSTANDING ACHIEVEMENTS
OF OUR YOUNG CYCLISTS:
CELEBRATING SUCCESS AT
KHELO INDIA WOMEN ROAD
CYCLING LEAGUE 2023**

October 4, 2023

MSSSP takes great pride in sharing the remarkable achievements of its young cyclists at the **Khelo India Women Road Cycling League** held in Amritsar from September 16 to 17, 2023. These achievements truly exemplify the excellence within our MSSSP family.

Harshita Jakhar, a student of **XI-C**, has emerged as a cycling queen by securing not one, but **two gold medals**. Her exceptional performance in the **under-16 10km Time Trial event**, where she clocked an impressive 15:53:764, showcases her dedication and skill. Furthermore, she continued her winning streak by clinching another

gold medal in the **20km Group race event**, with a remarkable time of **37:46:104**.

In this same prestigious competition, we also applaud **Anjali Jakhar**, a student of **IX-B**, who achieved a commendable feat by securing a **Bronze medal** in the **under-16 10km Time Trial event**. Anjali's determination and hard work are evident in her impressive time of **16:20:004**.

These outstanding achievements by our young cyclists not only make us proud but also inspire us to continue supporting and nurturing their talents.

“Let's celebrate the success of our cycling queens as they pedal their way to victory!”
