The **Holiday Engagement Display** at **Modern Senior Secondary School, Patiala (MSSSP)**, held on **Saturday, July 27th**, was a vibrant showcase of students' creativity and academic achievements.

During the **Annual Holiday Engagement Exhibition**, students presented a wide array of projects and crafts they had completed during the Summer Vacation.

These displays covered various subjects, including Mathematics, Science, Social Science, Languages, and Technology, reflecting the diverse talents of the students.

Throughout the event, students enthusiastically

explained their work to visiting parents, demonstrating a deep understanding of the topics they had explored. The exhibition featured interactive displays and hands-on activities, making the experience engaging for all attendees. The positive feedback from parents emphasized the exhibition's success, providing encouragement to both students and teachers alike.

This event not only highlighted the hard work and dedication of the students but also reinforced the school's commitment to fostering an environment where creativity and academic excellence go hand in hand.
