Modern Senior Secondary School, Patiala, proudly took part in the **Daan Utsav 2024**, an initiative recently launched by the **Patiala Municipal Corporation**. **Daan Utsav**, also known as the **‘Joy of Giving Week,’** is a national festival celebrated annually in October, encouraging individuals and organizations to give back to society. The theme focused on the **three R’s—Reduce, Reuse, and Recycle**—emphasising sustainability and community support.

In alignment with the **school's motto, Education with Moral Values**, students and staff from Grades I to XII participated wholeheartedly in the week-long event, which ran from **October 10 to October 16, 2024**.

With great enthusiasm, the school community donated a wide variety of everyday items,

in individual contribution, collectively showcased the spirit of generosity and care within the Modern School family.

The donations were carefully packed and delivered to the designated collection center at **Polo Ground, Patiala**, on October 18, 2024, as part of the city's needs for Daan Utsav. The delivery was warmly received by the organizing team. Both students and volunteers expressed feelings of deep satisfaction, knowing that their efforts would make a difference in the lives of those in need.

By engaging in this noble cause, Modern Senior Secondary School not only contributed to the community but also instilled essential values of compassion, responsibility, and sustainability in its students. The event truly embodied the essence of giving and reflected the school's ongoing

including toys, books, clothes, shoes, utensils, and even electronic gadgets. These items, though small

commitment to holistic education and moral development.
