to **V** from **Modern Senior Secondary School, Patiala**, embarked on an enriching educational trip to **Chandigarh's Rock Garden and Chatt Bir Zoo**. This excursion aimed to broaden students' knowledge beyond the classroom, offering practical exposure to art, nature, and wildlife.

The first stop was the renowned **Rock Garden of Chandigarh**, a masterpiece of sculptures made from waste materials, stones, and recycled items. The garden provided a unique blend of creativity, art, and nature, demonstrating to the students how discarded materials could be transformed into stunning works of art. Following this, the students

serene environment and scenic beauty.

After lunch, the group headed to **Chatt Bir Zoo**, the most exciting part of the trip. Students explored the rich biodiversity of the zoo, observing a variety of animals and gaining insights into wildlife conservation and animal habitats.

The trip was not only enjoyable but also highly educational. It provided students with real-world contexts to concepts learned in class, enhancing their observation and analytical skills.

The experience left them curious and eager to explore more, making it a successful step toward holistic education.
