April 30, 2025

On Wednesday, 30 April 2025, MSSSP hosted the 15th session of the **Alumni Inspirations** series,

these advancements, Dr. Bakshi addressed ethical concerns, data privacy, and the crucial need for

welcoming back esteemed alumnus **Dr. Amandeep Singh Bakshi**. Now a renowned figure at the confluence of **medicine and technology**, Dr. Bakshi captivated **Grade 11 and 12** students with his insightful presentation.

He highlighted groundbreaking healthcare innovations, including AI-driven diagnostics, robotic surgeries, wearable health devices, and genomics-driven personalized medicine. Emphasizing the promise and responsibility of

interdisciplinary collaboration.

His journey from **MSSSP** to international medical platforms resonated deeply with students, encouraging them to pursue knowledge with curiosity and compassion. The interactive **Q&A** session reflected the students' enthusiasm, who left feeling motivated and ready for the future.

The session was a true testament to the power of visionary alumnus to guide and inspire the next generation.
