April 22, 2025

On April 22, 2025, **Modern Senior Secondary School Patiala** celebrated **Earth Day** with great enthusiasm and a strong message of environmental

appealing and deeply inspiring. The students demonstrated a genuine understanding of the importance of protecting the environment. Their

responsibility.

The **Primary Wing students** took center stage, showcasing remarkable creativity through various engaging activities such as **colouring, pasting, band-making**, and **poster-making**. Their vibrant expressions of love for the planet were visually

active participation reflected their commitment to a greener future.

Congratulations to all the young participants for their heartfelt efforts and spirited involvement. The event was a resounding success and a proud moment for the school community.
