January 23, 2025

Modern Senior Secondary School, Patiala, recently hosted an engaging storytelling workshop led by **Dr. Arundhati Sundar**, a physiotherapist and passionate storyteller.

The first phase of the sessions, held on 18 and 19 January 2025, was exclusively for teachers. Dr. Sundar introduced **innovative storytelling techniques** that can be used to make classroom teaching more interactive and impactful.

Grade 8.

Each session was carefully designed to suit different age groups, making the stories engaging, interactive, and enjoyable. Her captivating narratives sparked imagination and curiosity among the young learners.

Dr. Sundar's sessions proved to be a transformative experience, equipping teachers with new strategies and leaving a lasting impression on

From 20 to 23 January 2025, she conducted storytelling sessions for students from Nursery to

students. The workshop reinforced the power of storytelling in education and personal growth.
