The **Result Parent Teacher Meeting** was successfully organized at **Modern Senior Secondary School, Patiala**, on 29th March 2025.

It was a valuable platform for parents and teachers to engage in insightful discussions regarding students' academic progress.

Parents actively participated, expressing appreciation for the school's continuous efforts toward their children's holistic development.

Teachers acknowledged students' dedication, congratulating them on their achievements and promotion to the next class. Constructive feedback and guidance were shared, motivating students to set new academic and personal growth targets for the upcoming session.

The interactive session fostered a strong school-home partnership, reinforcing the shared goal of nurturing responsible and confident learners.
