**Modern Senior Secondary School, Patiala**, takes immense pride in the stellar achievements of its students in the recently held **SilverZone Olympiads**. Conducted on 12th November 2024, the Olympiads in **English, Maths, and Science** saw enthusiastic participation from our young scholars, who demonstrated exceptional dedication

**bronze** medals. The Maths Olympiad saw **three gold, two silver, and one bronze** medalist, while the Science Olympiad featured **two gold, one silver, and one bronze** medalist.

This outstanding performance reflects the hard work of our students and the unwavering support of their teachers and parents. We extend heartfelt

and academic prowess.

Our students earned a remarkable total of **35 medals** across all three subjects, bringing laurels to the school. In the English Olympiad, **nine** students secured **gold**, **four** won **silver**, and **two** received

congratulations to all medalists and participants for their commendable efforts and for upholding the school's tradition of excellence. MSSSP continues to nurture talent and inspire young minds to reach greater heights!
