On May 7 2025, the primary wing students of **Modern Senior Secondary School, Patiala** celebrated **Mother's Day** with great enthusiasm and heartfelt creativity. The young students enthusiastically expressed their gratitude and love through heartwarming activities honouring the special bond they share with their mothers.

The celebration featured a vibrant art and craft display where students showcased handmade gifts, creatively designed photo frames with loving

messages, and intricately crafted paper purses and origami art. Each creation radiated affection, making the event an emotional and memorable experience.

The children's sincere gestures and imaginative expressions touched every heart and highlighted the invaluable role mothers play in their lives.

The event not only nurtured creativity but also instilled values of gratitude and love in young minds.
