May 23, 2025

Modern Senior Secondary School, Patiala, successfully conducted Parent-Student Orientation Programmes for all sections of Grades 10 and 12 from 22nd to 28th May 2025.

Thoughtfully planned after the first periodic test and just before the summer vacation, the sessions provided a timely opportunity to equip parents with

Parents were also guided on making informed choices regarding external coaching, while appreciating the support and expertise of the school faculty.

Additional focus was laid on promoting healthy habits, consistent written practice, time management, and the school's continued

strategies to support their children during this critical academic phase.

Led by **Principal Mrs. Manpreet Sharma**, **Vice Principal Mrs. Meenakshi Tewari**, and respective Class Incharges, the discussions emphasized the importance of regular attendance, balanced screen time, and setting a daily ‘**zero technology**’ hour.

commitment to sustainability through its "**No Plastic Policy.**"

An interactive Q&A session helped further reinforce the school-parent partnership. Parents expressed gratitude for the school’s proactive efforts, appreciating the alignment of home and school environments in pursuit of academic excellence and holistic development.
