

# MODERNITES SHINE AT NATIONAL PHYSICS WEEK 2025

~ Akash Chander Pandey (XII-A) & Pukhraj Rana (XII-C) ~

Reporters, Modern School Life Magazine

**November 6, 2025**

Class XII students of **Modern Senior Secondary School, Patiala**, visited **Chandigarh University** on 6 November 2025 for an enriching educational tour aimed at broadening their exposure to higher education avenues.

As part of the visit, they attended the **National Physics Week 2025**, commemorating **100 years of the Quantum Revolution**. The highlight of the event was an insightful expert talk by **Dr. P.K.**

**“From Hypothesis to Quantum Technology.”**

Students enthusiastically participated in the **Quantum Quiz Challenge**, competing with university students. We are proud that **Akash Chander Pandey, Mokshita Garg** and **Nakshdeep Singh** won prizes, bringing glory to the school.

The Head of the Science Department, **Mr. Vikas Narang**, was honoured with a **Guest of Honour** trophy. Students also explored various

**Ahluwalia**, Senior Professor at Himachal Pradesh University and President of AIPT, on the theme

university departments, gaining valuable insights into research and career opportunities.
