On 14 August 2025, **Modern Senior Secondary School, Patiala**, celebrated the **79th Independence Day** with pride, gratitude, and unity.

The celebration began by the students of classes I to III with a solemn salute to the tricolour, followed by patriotic songs and cultural performances that filled hearts with love for the

nation.

Students of classes VI to VIII remembered the sacrifice of freedom fighters, honoured the valour of armed forces, and concluded with a resounding chorus of **Vande Mataram**.

It was not merely a programme but a reminder that freedom comes with the responsibility to cherish and protect it. **Jai Hind!**
