On Saturday, 2nd August 2025, **Modern Senior Secondary School, Patiala**, proudly hosted the **16th** edition of its **Alumni Inspirations** series, welcoming back one of its most distinguished

meaningful change often begins with powerful questions — **why, what if, and what's next?**

Adding to the emotional depth of the occasion, Mr. Aggarwal was accompanied by his mother,

alumni — **Mr. Ajitabh Aggarwal**, from the 1991–92 batch.

Currently serving as the **SAP Innovation Managing Director at Accenture**, Mr. Aggarwal is a globally acclaimed innovation leader with over 25 years of industry experience. He has held senior leadership positions, including Global Innovation Leader at Ernst & Young, and is recognized for his expertise in technology, transformation, and Artificial Intelligence. He also holds a patent in AI and is a sought-after speaker on international platforms.

Delivering a thought-provoking talk titled **“Innovation Starts with a Question: What Will You Ask?”**, Mr. Aggarwal encouraged students to value curiosity and bold thinking.

He emphasized that while answers matter,

Mrs. Saroj Rani, a respected science teacher who dedicatedly served the school for **39 years (1970–2009)**. She was honoured by the **Principal Mrs. Manpreet Sharma** and **Vice Principal Mrs. Meenakshi Tewari** on the behalf of Management .

In a touching tribute, **Dr. Ashutosh Nirola** and **Mr. Himanshu Sharma**, members of the Alumni Association, honoured Mrs. Rani for her lifelong contribution to education. Proud Alumnus **Mr. Harinder Singh Lamba** also marked his presence.

Welcoming Mr. Aggarwal to his alma mater was a proud and inspirational moment for the entire school.

His visit reminded students that extraordinary journeys often begin in the classrooms they sit in today, and that the right question can be the first step toward shaping the future.
