Modern School celebrated **Republic Day** with great enthusiasm and patriotic spirit on 22 January 2026.

The celebration focused on promoting national pride, creativity, teamwork, and healthy living through thoughtfully planned activities.

Students of Grades 6-8 enthusiastically participated in the **Tricolour Dishes Presentation**

Students of Grades 9 and 11 participated in a **Fresh Flower Arrangement Competition** on the theme "Republic Day Celebration," in groups of 2-3. The floral designs beautifully reflected patriotism, harmony, and creativity, adding colour and elegance to the celebration.

Grade 9 students further showcased their artistic talents through **Poster Making, Slogan Writing,**

Competition, working in groups of 2–3. Special emphasis was placed on healthy, nutritious dishes inspired by the colours of the Indian national flag. Participants prepared dishes using natural ingredients such as fruits, vegetables, pulses, and grains to represent saffron, white, and green. Students confidently explained the nutritional value and symbolic significance of each colour, making the activity both educational and health-oriented.

and **Collage Making** activities, creatively expressing their patriotism, love for the nation, and artistic skills.

The Republic Day celebration at Modern School was a memorable and enriching experience. By blending patriotism with creativity and awareness of healthy lifestyles, the activities helped students develop a deeper respect for national values while learning the importance of teamwork and well-being.
