Modern Senior Secondary School, Patiala (MSSSP), has set-up a top-class cricket coaching facility for both boys and girls (from the ages of 5 to 25 years), for MSSSP students, MSSSP alumni and for all student cricket enthusiasts in Patiala (regardless of which school/college/institute you may be in). In short, the cricket coaching facility is open to all boys and girls in Patiala from the ages of 5 to 25 years.

DETAILS

1. Coaching classes take place daily from 3:30 pm till 8:30 pm (see time-table below) at the MSSSP sports grounds, G. D. N. S. Road, Patiala. (Next to Gurudwara Dukh Niwaran Sahib.)
2. Coach Yuvam Khatri and his team of NIS qualified coaches train players in batting, bowling, fielding and wicket-keeping. The aim is that players – even beginners – with hard-work, regularity and passion, can compete at inter-school level, state level and inter-state level competitions in the very near future. And to provide match practice, every week (usually on Sundays) friendly matches are organized with teams from other schools in Patiala.
3. Modern School Cricket Coaching has created FOUR types of cricket pitches on its grounds.
 - a) **Turf Pitch** – This is made from Black Soil and is used for international cricket matches. So we actually have an international standard cricket pitch!
 - b) **Astro-Turf Pitch** – This is made from a special synthetic flooring.
 - c) **Cemented Pitch** – This is for fast bowling.
 - d) **Stone pitch.**
4. A physical coach and medical staff are in the premises at all times to take care of the players.
5. Both evening and night sessions are available.
